

EQUINE ESSENTIALS HEALTH CARE PLAN

The Equine Essentials Health Care Plan (EEHCP) is a new health care plan launched in 2015.

We understand that caring for our horse(s) is hard and expensive work! We have introduced the EEHCP to provide a comprehensive and affordable preventative healthcare plan, helping to ensure the very best care for your horse throughout the year.

Whilst we can never plan the unexpected, this health care plan allows you to budget for your horse's essential health care for each year by affordable monthly instalments.

What does the Equine Essentials Health Care Plan include?

- One zone visit.
- Yearly booster vaccination & health check.
- Reminder system for future vaccinations.
- A Yearly Dental Examination and teeth rasp (not including sedation).
- Three worm egg counts throughout the year.
- Reminder system to alert you when worm, egg counts need to be done.

What does the Equine Essentials Health Care Plan cost?

- The cost for 2015 is £8.33 paid monthly by direct debit.
- or £95.00 (inc. VAT) paid annually.

We hope you will want to jump at the chance to take up this offer of increased affordable veterinary care for your horse so please give the equine office a call or download the application form to sign up for our Equine Essentials Health Care Plan.
