

The George Veterinary Hospital is your local practice, independently owned by people who work here and who are personally involved in caring for your pets.

Our Mission

Compassionate veterinary care with respect and integrity for our clients and colleagues, whilst maintaining patient welfare at our core.

Costs of Care

We strive to deliver value at every stage of your pet's care, ensuring that the most appropriate treatment options for your pet are available and supported. With many years' experience within our team, we are well placed to offer excellent advice and care to keep your pets healthy for longer. Our charges reflect the high degree of care we offer at a price that delivers genuine value.

All prices are in GBP (£) and inclusive of VAT at 20%
