

# TB TESTER & VET TECH

The  
**GEORGE**  
Farm Vets

**4 DAYS A WEEK**  
MINIMUM

Gloucestershire and Wiltshire

**NON-VETERINARY TB TESTER REQUIRED - FULL TRAINING PROVIDED**

Building on the success of our ATTs and our expanding Vet Tech services, we are recruiting another member to our team.

Are you an excellent communicator, a lover of the outdoors and keen to form meaningful relationships with farmers? Then this role is for you! Combining the ATT role with vet tech services creates an interesting and varied role to provide a wide range of services to our farm clients:

**MOBILITY SCORING, FREEZE BRANDING, DISBUDDING, FLY CONTROL, VACCINATION, ENVIRONMENTAL ASSESSMENT, SHEEP SHEARING AND MORE!**

We are an expanding business, with a team that is passionate about the agricultural industry and its future. We offer an excellent package including pension, with extensive training and support. Take the chance to do a challenging and satisfying job in the beautiful countryside!

For more information contact Chris Warren on 07880 196223
