FARM VET

OPPORTUNITY

1-4 YEARS GRADUATED

We are a proudly independent, progressive and exclusively farm animal practice based in Malmesbury, Wiltshire. We are a team of 18 vets and 3 Vet Techs providing a high level of care to our clients, with a real emphasis on preventative medicine, herd health and productivity. Within the team we have 5 certificate holders and a diploma holder. We can provide a good mix of high-quality dairy and beef cattle work, with a smaller volume of sheep work. Our practice sits in a historic town, in a beautiful part of the country with easy transport links to major airports and the southwest.

We are looking for an enthusiastic 1-4 years' graduated farm vet to join our team. Good communication skills and a team centred work ethic are essential. We provide a supportive environment, encouraging clinical progression and knowledge sharing. You will have access to a £1750 CPD budget plus your RCVS and BCVA memberships are paid. We offer a 4.5 day week, an excellent 2 in 14 rota, car, laptop and phone.

For more information contact

Beatrice Yates on 07887 652230 or Tom Oxtoby on 07909 918048
