

EMS and IMR Opportunities

The
GEORGE
Veterinary Group

PROUDLY INDEPENDENT

Who are we?

The George Veterinary Group is a large, independent practice based in Malmesbury on the edge of the Cotswolds Area of Outstanding Natural Beauty. With 4 dedicated veterinary departments offering opportunities, we are a popular choice for students, who benefit from our wealth of experience, modern facilities and a varied caseload.

If you are currently considering your next rotation or placement then please contact us to find out more. To check availability, please email the contact for your preferred area.

Once your EMS/IMR is confirmed, we take the hassle out of finding accommodation too. It couldn't be easier! We have 3 rooms available for students, just a minute's walk to your day ahead; so you'll not have to worry about driving into town every day.

We provide everything you need for a comfortable stay including wi-fi, bed linen, a washing machine and tumble dryer with a good sized shared kitchen with cooker, fridge and TV.

All we require is a minimum stay of 4 nights; rooms are charged at £55 per night. We take the hassle out of finding accommodation, when you book it with us!
