

The
GEORGE
Veterinary Hospital

**FULL TIME
OPPORTUNITY**

VETERINARY CARE ASSISTANT

Our veterinary care assistants play a key role both at the Hospital and in our branch surgeries too. This opportunity will suit someone with a genuine interest in animal care who would enjoy making a valuable contribution in the hospital, assisting with the day to day care of our in-patients and helping to maintain our high hospital standards.

**Closing date:
22nd June**

We expect our VCAs to:

- Support and assist the nursing staff in the care of all in-patients
- Be responsible for the cleanliness & organisation of the kennels, cattery and laundry areas
- Assist the veterinary team during consultations
- Process laboratory samples (full training given)
- Work on a 1:4 Saturday rota

The key responsibilities and skills for this role are available to view on the "Join Our Team" page of our website.

Applications with cover letter and CV to Emily Oswald:
