

Reducing antibiotic use in the lambing period

Following the new red tractor rules restricting the blanket use of antibiotics for new born lambs, and an increase in oxytetracycline resistance, this meeting will discuss prevention strategies for watery mouth disease and options for control.

At Thorndale Farm, Andoversford, GL54 4LL (PTO for directions), followed by lunch at the Royal Oak, Andoversford.

As the first part of the meeting is on farm please ensure you wear
CLEAN & DISINFECTED FOOTWEAR

12pm, Thursday 7th February.

Please RSVP to 01666 823035 or email farm@georgevetgroup.co.uk
by **Monday 4th February**

DIRECTIONS TO THORNDALE FARM.

From M5: Exit at Junction 11A and take the A417 (signposted Cirencester). At the roundabout at the top of Birdlip Hill go straight ahead on the A436 towards Andoversford. At the Seven Springs roundabout, again go straight on signposted Andoversford. Continue for approx. 4 miles and turn right where it is signposted Withington. Thorndale Farm is down this road on the right hand side, you will see the sign for Kim Bailey Racing in the wall at the end of the drive.

From the A417 (Swindon & M4 J.15): Exit the A417 at the sign for Cirencester, Burford and Stow, follow the signs to Stow which take you onto the A429. Continue on this road through Fossebridge and past Northleach until you reach the roundabout with the A40. Turn left onto the A40 towards Cheltenham, after a small stretch of dual carriageway you will reach a crossroads with traffic lights. Bear left here onto the A436, past the Frogmill Inn on your left and after about half a mile take the first left hand turn signposted Withington. Thorndale Farm is down this road on the right hand side, signposted Kim Bailey Racing.
