

The  
**GEORGE**  
Equine Clinic

Dedicated exclusively to your donkeys

## DONKEY HEALTH CLUB

We know your donkeys mean a lot to you and we aim to help you give them a long and healthy life. Our donkey health club provides essential preventative healthcare required throughout the year.

Club membership spreads the cost across the year with manageable monthly instalments. Membership also provides discounts on additional veterinary services along with other great club benefits.

**£13**  
per month

### Benefits:

- **Worm control and management** - 3 worm egg counts and reports with reminders on when to do them
- **Dental examination and rasping (including sedation)**, performed annually
- **Vaccinations** - Annual flu and tetanus vaccination with health check to check for lice and body condition score
- **Free donkey specific weigh tape**
- **Free tickets to our donkey and equine events**
- **A discount of 25% off emergency out-of-hours fees**
- **A discount of 15% off foot balance x-rays**

### How to register

To join the Donkey Health Club, or to discuss benefits further with a member of our team, call our office on 01666 826456 or email [horse@georgevetgroup.co.uk](mailto:horse@georgevetgroup.co.uk) to register your interest.

Our accredited, independently owned equine veterinary practice is here for you 24/7. We do not have external shareholders like many of our local competitors. The practice is owned and run by vets working with you to put your donkeys' best interests at heart.
